

Horizon Capital Investment Presents Knightsbridge Homes

Living Room

KNIGHTSBRIDGE

Inspired design, *elegant* landscape, all the comforts of family. This is Knightsbridge. Welcome home! You belong here.

External View

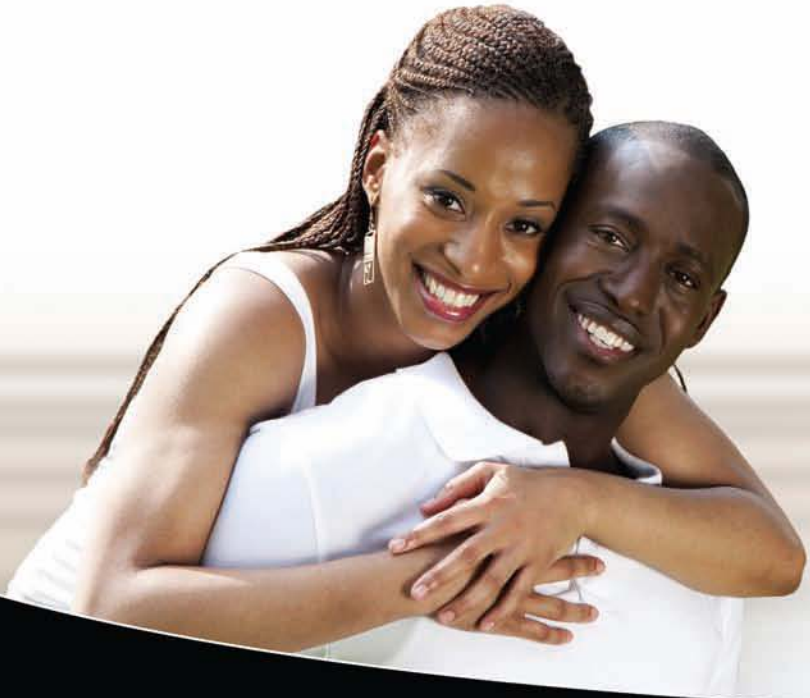

Master Suite

Knightsbridge presents a unique networking opportunity for like-minded neighbors.

Barbeque by the courtyard/pool area or collect your thoughts on green terraces throughout the property. Then afterwards, retreat to the private comforts of your spacious Master Suite.

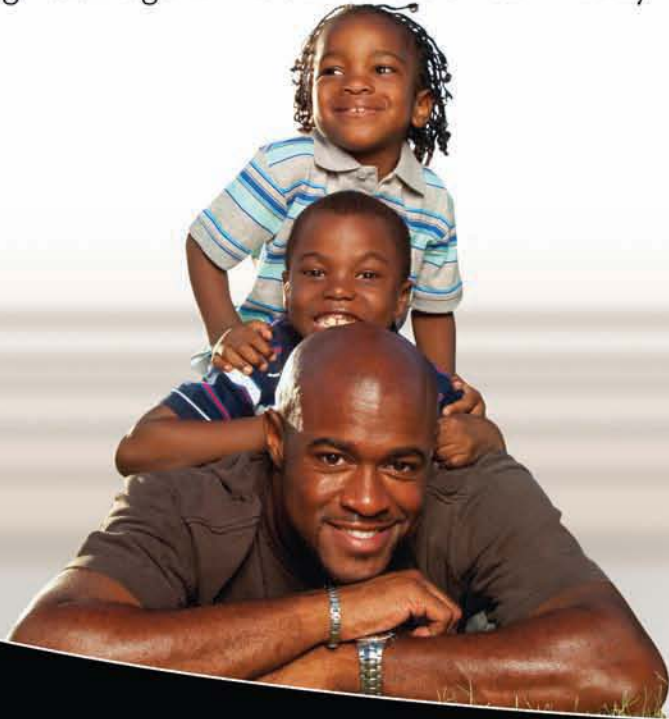

Kitchen

Modern Architecture meets traditional “Eko” Charm.

Knightsbridge is a collection of 16 beautifully crafted homes (8 duplex units and 8 penthouse units) designed with you in mind: *the recherche' consumer who wants great style without losing luxury.* Each duplex unit is 320 square meters, while the penthouses are 160 square meters per unit. Knightsbridge will be an oasis of calm away from the unbridled energy of Lagos city.

Horizon Capital Investment

In the real estate industry, there are visionaries who raise the standard; those who defy convention and push their fields further in order to carve a niche for themselves. Since 2004, Horizon Capital Investment (HCI) has been such a company. Horizon Capital believes that a home is more than where you live; it is an expression of who you are.

www.hci-group.com

HCI has completed several residential projects in Lagos including Berkshire8 & Savoy townhomes in Oniru, Delamare Apartments in Lekki Phase One under our exclusive contemporary British collection. Berkshire8 and Savoy townhomes were both for sale and sold out 6 months prior to completion.
